

## Volvo Amazon

There are 2 different types of steering column used. Check first which one your Volvo is equipped with and select the correct product name of the EZ-unit.

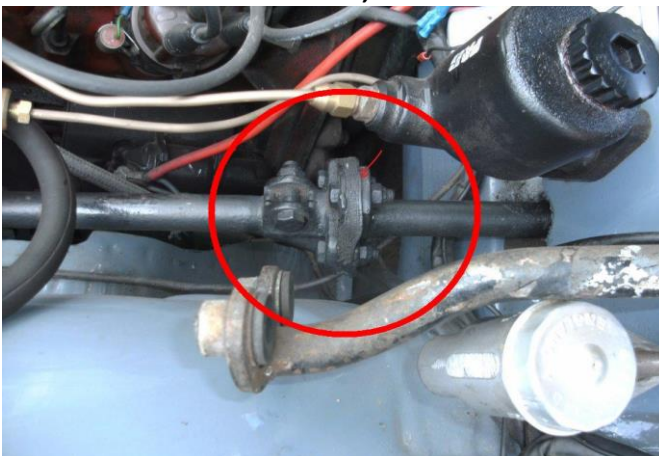

**Volvo Amazon 1968 and onwards, safety column:**

-> product name of EZ-unit =

**Volvo Amazon Safety**

**Volvo Amazon before 1968, T-bar column:**

-> product name of EZ-unit =

**Volvo Amazon T-bar**

**Type of thread speedo cable M16 or M12?  
The product name of EZ-unit you want to order:**

**M12 (before 1963) / M16 (from 1963)**
